ACADEMIC & PERSONAL PROJECTS

University Digital Assistant (FYP Concept)

- Designed an AI-assisted digital assistant for university students covering registration, timetable clashes, academic procedures, and exam queries — focused on automation concepts and user guidance.

Student Enrollment App (Flutter)

- Built a beginner-level enrollment mobile app using Flutter & Dart with multi-screen navigation and a UI-focused implementation.

Frontend & UI Design Projects

- Designed responsive web interfaces with modern layouts, animations, and mobile-friendly designs using HTML, CSS, JavaScript, and React basics.

Graphic Design & Branding Projects

- Created posters, social media designs, and branding visuals using Canva and Photoshop for academic and personal projects.

CERTIFICATIONS

Graphic Designing Certificate — Graphic design principles, typography, branding, and digital visual communication.

STRENGTHS

- Creative Problem Solving
- Fast Learner
- Design-Oriented Thinking
- Communication & Teamwork
- Adaptability to New Tools
